### Why do you participate in Academic Games?

- ... I joined Academic Games because I thought it was a chance to prove myself. **Chloe Burton**; DEPSA
- ... I joined Academic Games so I can become smarter and chill with my friends **Alex Herrera**; Earhart.
- ... I like it because it helps me in writing and language arts. **Warren Boyne IV**, Oxford
- ... I decided to do Academic Games because my Dad played Academic games. I want to pass it on from generation to generation. **Christian Caldwell**, Henry Ford Acad.
- ... I joined Academic Games because, I used to play at my old school. I was very excited when my coaches started a team at Ronald Brown Academy. **Allen Brown**, Ron Brown Academy
- ... I play Academic Games to have excitement and fun! Playing Academic Games also makes me think and think and think! **Ariah Riley**, Durfee, Detroit
- .... I enjoy it because I get to learn about other math strategies **Keven Nunez**, Munger Elementary Middle
